The Honorable John Cornyn
517 Hart Senate Office Building
Washington, DC 20510

Dear Senator Cornyn,

On behalf of Zachry Group, we are pleased to share our support of the Consumer Financial Choice and Capital Markets Protection Act of 2017. Zachry Group is a privately held company engaged primarily in the engineering, construction, and maintenance and specialty services for large industrial facilities in North America.

We would like to see money market mutual funds return to a more stable, balanced structure. We urge Congress to support this legislation that seeks to overturn the Securities and Exchange Commission (SEC) rules that were put in place in October of 2016. This action by the SEC has had a negative impact on the stability of money market funds which are critical for business.

Thank you for the leadership and service you provide our nation.

Sincerely,
