Senator Doug Jones
326 Russell Senate Building
Washington, DC 20510

Dear Senator Jones:

I am writing you asking that you support passage of S.1117 before your Senate Banking, Housing and Urban Affairs Committee.

This legislation enables private industry, local and state governments to fund public works for infrastructure and economic development by maintaining the viability of Money Market Funds. Many institutions, universities, hospitals counties, municipalities use tax exempt bonds to fund construction costs.

We would be deeply appreciative if you were supportive of S. 1117.

Respectfully,

Jay Reed, President,
Associated Builders and Contractors of Alabama
